## Immaculate Conception

### Cafeteria Meal Program 2011-2012 School Year

Sodexo is pleased to continue offering the lunch meal plans for your students at Immaculate Conception. Listed below are the payment options for this school year.

- **Flexibility:** Your student has three options from which to choose: semester meal plan, \$50.00 meal card, or cash.
- **Value:** Semester meal plan is a value for the student that eats lunch in the cafeteria daily. This plan is priced to save you on average when compared with daily cash prices.
- **Convenience:** The semester meal plan and \$50.00 meal card eliminate the need for cash. The semester plan offers the student a complete meal: one entree (A), two sides (B) and a drink (C). The students' name is checked off the meal list as they come through the cafeteria line. The \$50.00 card is valid throughout the school year. Additional cards may be purchased as needed. Sorry, lost cards or unused balances are non-refundable. Your student may purchase a la carte meals, side items or drinks with the meal card or cash.

**\*\*Please note: charges are not allowed.\*\***

#### How do I join

- \$50.00 meal cards are purchased at orientation, or from the cashier in the cafeteria at any time
- If the semester meal plan suits your students' needs, complete the registration form

Make checks payable to Sodexo, and either bring payment to orientation or mail to:
